

Yesterday`s dream

*Yesterday`s dream has turned into tears
nothing has changed since the day you where here
empty room between day and night
so many years have passed since the day you where here
where have you been all these years*

*I tried so hard to get in touch with you
but now I am left here all alone*

*Tomorrows world how does it feel
now that you`re gone where the peace can be found
your fight for freedom was not in vain
so many years have passed since the day you where here
where have you been all these years*

*I know some day I`ll get in touch with you
but now I`m left here all alone..*
